

DELTA-WAVERLY ACTIVITIES

AQUATIC PROGRAMS

Delta Waverly Fall 2007 Swim Lessons are offered to children ages 6 months and up. Course content for beginning swimmers ages 6 months to 5 years old includes water adjustment/exploration and fundamental motor skill activities. Children ages 5 years and older learn breathing techniques, fundamental swim strokes, kicks, jumps, submerging and water safety information. Advanced swimmers ages 5 years and older refine familiar strokes while learning breast-stroke and side-stroke as well as the butterfly, back-stroke and diving.

Please communicate with your child's instructor about any special goals or concerns you have, but please also respect pool rules and regulations. Your child will learn at his or her own pace. Some children will need more practice in one level, than other children will need. You can help advance your child's swimming abilities by spending "fun time" in the water outside of class, practicing what you both enjoy. A great opportunity for your whole family to do this is during our Tuesday/Thursday family swim times from 7pm – 8:30pm!

The Delta Waverly Youth Instructional Swim Program offers swimmers a lower student-to-teacher ratio than most other local swim programs. All swim lessons are held at the warm and friendly Waverly East Intermediate School Pool. Our address is 3131 West Michigan Avenue Suite 39, Lansing, MI 48917. You can reach us by telephone at (517) 484-5600, office hours are Monday through Friday 10am - 3pm. Please park in the back, east parking lot. Also remember an adult, age 18 or over, must remain in attendance during swim lessons and family swim times.

Adult Water Exercise, Lap and Family Swim Information

Please refer to the current adult swim schedule for Monday through Friday daytime and evening swim/water exercise hours, available from the Delta Waverly Activities office (484-5600). Schedules and class times are also available on Township Web site at www.deltami.gov/parks
